Student Contract

Students entering our school are bound by this contract, which informs them as to what is expected of all students in St. James St. John School. These expectations are but not limited to:

1. Total respect for all teachers, staff members and students.
2. Obey and adhere to all school rules and policies.
3. Total respect of the school facility.
4. Homework assignments always completed as assigned by Classroom teacher.

These expectations will be adhered to and followed daily. The child will be given, at the discretion of the principal, a probationary period whereby the principal and teachers will closely monitor behavior and academic progress. At the end of this period of time, a conference will be held to determine whether the child continues in our school.

If for any reason the student is unable to follow the above guidelines, that student will be expelled.
