

St. James-St. John School  
180 Orchard Street  
New Bedford, MA 02740  
508-996-0534

Dear Parent/Guardian,

I would like to take this opportunity to remind you that we have several students in our school who have severe allergies to peanuts and tree nuts. An allergic reaction to these allergens can be very serious and life threatening. In order to ensure the safety of all our students, St. James-St. John School is a “peanut and tree nut free” school. It is very important that any food brought into the school for snacks, lunches, bake sales, birthdays or other celebrations be free of all nuts (this includes Nutella). If you are uncertain whether or not a food is safe, please ask me and I will find out for you. There is information on how to read labels for peanuts and tree nuts on the school website under ‘Nurse’.

I would like to thank you for your understanding and cooperation.

Sincerely,  
Nurse Anna
