

New Student Referral Reward Program

Refer a New Student to St James-St John School and Help Spread the Good News of a Catholic Education

St James-St John School is pleased to announce our **New Student Referral Reward Program**. For many years, our students and parents have been our best advertisers. You are an invaluable asset who shares positive experiences through simple word of mouth to families, friends and neighbors.

With our referral program we want to reward **YOU** for helping us promote our school to the people in our community.

The New Student Referral Reward Program is a financial gift to families (or individuals) who refer new families who enroll a child in our school for the first time in any grade. The reward is a \$200 tuition credit. **New students must be enrolled for one full school year in order for referring family to receive credit (one student per family). All families who receive this discount must enroll their child for (1) full school year.**

\$100 will be credited in December, and \$100 will be credited in May.

As a current SJSJ family, you no doubt are very proud of our school community. We are too....and we all have so much of which to be proud of!!!

Please help us share that pride with others. If you know of a prospective family who would benefit from learning more about us, please fill out the enclosed referral form.
